

attendees

Advanced Undersea Technology Roundtable

Skip Albertson

Environmental, Assessment Program,
Coastal and Estuarine Assessment Unit,
Washington State Department of Ecology

Dr. Eddie Bernard

Director, Pacific Marine Environmental
Laboratory
NOAA Office of Oceanic & Atmospheric
Research

Dr. Dave Christie

NURP Center Director
University of Alaska Fairbanks

Andrea Copping

Marine Science Laboratory
Pacific Northwest National Lab

Dr. Penelope Dalton

Director
Washington Sea Grant

Dr. Charlie Eriksen

Oceanography, gliders, PO
University of Washington

Robert Grieve

Chief Operating Officer
Bluefin Robotics Corporation

Steve Hammond

Acting Director, NOAA Ocean
Exploration Program
NOAA Office of Oceanic & Atmospheric
Research

Karen Kohanowich

Program Officer, NOAA's Undersea
Research Program
NOAA Office of Oceanic & Atmospheric
Research

Mary Ann Kutny

Communications Office
NOAA Office of Oceanic & Atmospheric
Research

Justin Manley

Ocean Exploration Program
NOAA Office of Oceanic & Atmospheric
Research

Dr. David Martin

Associate Director
Applied Physics Laboratory
University of Washington

Molly McCammon

Executive Director
Alaska Ocean Observing System

John McDonough

Deputy Director, NOAA Ocean
Exploration Program
NOAA Office of Oceanic & Atmospheric
Research

Craig McLean

Deputy Assistant Administrator for
Programs & Administration
NOAA Office of Oceanic & Atmospheric
Research

Ray Murphy

Marketing Director
International Submarine Engineering, Inc
